

Congratulations!

You have been nominated to join a select group of influential professionals as a member of the 2022 class of the Journey Fellowship - a program aimed at renewing leaders and transforming the field of youth work in Indiana.

Fellows attend four all-expense-paid retreats throughout the year, focused on personal and professional leadership and renewal, benefit from peer coaching, have the opportunity to connect with other leaders in the youth development field, receive individual stipends to fund their own professional development and engage with colleagues to transform their own organizations and communities.

Please see The Journey travel map on the reverse side, which highlights the components and structure of the fellowship program, and includes dates and locations for retreats.

We hope you will consider applying for one of the limited number of spots available for the 2022 year.

To apply please visit thejourneyonline.org

Please ensure that you click on the links related to the **Executive** fellowship program. We encourage you to see this fellowship as a once-in-a-lifetime professional opportunity to make your coming year one of renewal and possibility for yourself and your organization.

We look forward to receiving your application.

Special Covid-19 Note for 2022+

In all possible instances, The Journey will continue to take place "in-person" with observation of masking and social distancing as appropriate. About The Journey

The Journey Fellowship is a flagship program of *The Journey*, a collection of programs committed to **equipping people to lead with their hearts** by

Grounding...people in who they are - the essence of their heart and spirit, their vocation and avocation

Connecting...people to each other - tapping into the power of community, and

Inspiring...people's beliefs about what they can accomplish on behalf of young people

Since 2002, *The Journey* has created opportunities for renewal and exploration for experienced and prospective youth workers in Indiana. In addition to the Executive Journey Fellowship, *The Journey* also facilitates:

- **The Journey Fellowship for New Professionals** - for full-time youth workers with up to 10 years experience, looking to establish and grow their careers
- **The International Youth Worker Exchange** - a travel experience to connect Indiana youth workers with peers in other countries
- **Youth Worker Symposium** - a professional development experience for youth workers around the world to renew and learn together
- **The Journey Fellowship for Students** - for college students dedicated to pursuing a career working with young people

The Journey programs are made possible by the generous support of The Lilly Endowment, Inc. and under the care of Indiana Youth Services Association.

"I have a hard time making myself vulnerable to others. The Journey helped me realize the importance of doing that, but even more importantly, being vulnerable to myself. That's the only way I can achieve true renewal because then I can see where I am weak and how I can become stronger for myself."

2022 Executive Journey Fellowship

A unique opportunity for Executives and Leaders in the Field of Youth Development in Indiana

"The has allowed me time to focus solely on me...Not fixing someone else or dealing with their problems. Not pouring my last drop into anyone but refilling my own cup! I am such a fixer and always, ALWAYS putting myself last. It has been amazing to have time to focus on my needs and learn little ways to do the same once returning to the real world."
