In all possible instances, The Journey will continue to take place "in-person" with observation of masking and social distancing as appropriate. Our current policy for all in-person retreats is to require fellows and staff to provide either proof of full vaccination OR a negative COVID test from within the previous 72-hours. Any changes to requirements or procedures throughout the year will be communicated in as timely a manner as possible.

# About The Journey

**The Journey**, working with non-profit leaders, youth workers and students, brings opportunities for renewal and leadership development to those who serve young people by...

**Grounding...**people in who they are - the essence of their heart and spirit, their vocation and avocation

**Connecting...**people to each other - tapping into the power of community, and

**Inspiring...**people's beliefs about what they can accomplish on behalf of young people

Since 2002, *The Journey* has created opportunities for renewal and exploration for experienced and prospective youth workers in Indiana. In addition to The Journey Fellowship for new Professionals, *The Journey* also facilitates:

- **The Executive Journey Fellowship** - renewal for current leaders in the field of youth work
- **The International Youth Worker Exchange** - a travel experience to connect Indiana youth workers with peers in other countries
- **Youth Worker Symposium** - a professional development experience for youth workers around the world to renew and learn together
- **The Journey Fellowship for Students** - for college students dedicated to pursuing a career working with young people

*The Journey* programs are made possible by the generous support of The Lilly Endowment, Inc. and under the care of Indiana Youth Services Association.
